RE: Mayflower Mountain Resort Master Plan Amendment

Dear Doug,

I have received an updated Constraints Map and Plan Map for the Mayflower Mountain Resort Master Plan Amendment. These plans include the areas of concern from the EarthFax Reclamation Plan. However, there is not outline for the mining influence area as it currently covers the entire site. The exact areas of mining influence will be defined as the Voluntary Cleanup characterization is finalized.

If you have any questions, please feel free to contact me at 801-580-9692.

Sincerely,

Alane E. Boyd, P.E.
Principal
