RE: River Bottoms Ranch

Dear Doug,

I have had a chance to complete a review of the updated engineering drawings for the River Bottoms Ranch project dated July 27, 2017. My previous comments requested that the applicant prepare SWPP Plan and Erosion Control Plan for review prior to the approval. The updated drawings provide a SWPP Plan and Erosion Control Details. These adequately address my comments.

If you have any questions, please feel free to contact me at 801-580-9692.

Sincerely,

Alane E. Boyd, P.E.
Principal
