RE: Victory Ranch Temporary Storage Tents

Dear Doug,

I have had a chance to complete a review of the plans for the Victory Ranch Temporary Storage Tents. The plans were prepared by Berg Civil Engineering and dated May 19, 2017. Victory Ranch wants to relocate two existing maintenance tents to an area on the east side of the property known as the bone yard. These tents are needed while the permanent maintenance facility is under construction. The bone yard is an area that has been graded and graveled in the past. Electrical service will be brought from an existing pump station to the temporary tents.

The plans included an erosion control plan. The plan appears to be adequate and the erosion control measures look as if they would provide suitable protection.

I have no other comments at this time. If you have any questions, please feel free to contact me at 801-580-9692.

Sincerely,

A handwritten signature in blue ink that reads "Alane E. Boyd". The signature is written in a cursive, flowing style.

Alane E. Boyd, P.E.  
Principal
