RE: Village at the Shores Phase 3, Final and Site Plan Approval

Dear Doug,

I have had a chance to complete a review of the resubmitted plans for the Village at the Shores Phase 3 project. The resubmitted plans were submitted via email from Darrin Perkes of Dominion Engineering on July 7th. I have reviewed the following plans within the project plan set:

1. P-4 Grading Plan
2. EC-1 Erosion Control Plan
3. LA-1 to LA-4 Landscaping and Irrigation Plans

The plans appear to be complete and have addressed the concerns that I expressed in a letter to you dated July 2, 2014. If you have any questions please feel free to contact me at 801-580-9692.

Sincerely,

A handwritten signature in cursive script that reads "Alane E. Boyd".
